

**Worldwide customer and spare part service for
„old“ TSCHUDIN grinding machines**Date February 10th 2010

L.KELLENBERGER & Co.AG will commit the entire customer and spare part service of TSCHUDIN hydraulic and stepping motor grinders to M.+ M.MAI GmbH Company, starting February 26th 2010.

This covers the following machine types:

- HTG300; HTG310
- HTG400; HTG410; HTG610; HTG420; HTG620; HTG430; HTG630; HTG440
- HTG410U; HTG610U
- HTG412; HTG422; HTG 612; HTG 622; HTG432; HTG632; HTG442
- HTG412U; HTG612U

All NC controlled HTG type machines are not included in this transfer. These and all other NC controlled TSCHUDIN grinding machines will still be serviced by L.KELLENBERGER & Co. AG in Biel/Bienne.

M.+M. Mai GmbH has a great know-how of revising, servicing and spare part handling, especially of Tschudin grinders. With MAI we have found a capable partner and we are convinced that they will satisfy your and our high standards anytime. MAI Company has many years of experience with international business and will be able to serve our customers to their complete satisfaction.

L. KELLENBERGER & Co. AG will assist M.+M. Mai GmbH during a transitional period of several months in establishing this business.
